

**Do you have, or know any Bay of Plenty children who are deaf or have hearing difficulties?**

The Bay of Plenty Association for Deaf Children Incorporated (BOPADCI) is a local support group for deaf children and their parents and families.

If you have any questions, or need help, then the BOPADCI have families and members that can assist. Funding may be available through the group which can help your children with assistive devices, tutoring, training, or awards that could make a big difference to your child's learning and self-confidence.

We meet regularly in a family friendly environment for children, parents and families.
